

February 7, 2008

The regular monthly meeting of the Oxford Board of Port Wardens was called to order by the chairman, Thomas Campbell, on Thursday, February 7, 2008 in the meeting room of the Oxford Community Services Building.

Other board members in attendance were Stanley Bright and Larry Murray, along with past board member Harwood "Woody" Martin.

The minutes of the meeting of December 6, 2007 were approved and accepted with the following correction: Following the discussion of permit #07-05 for Martha Biggs, the following sentence should be added: "It should be noted that it was agreed that the boat lift, on the north side of the dock, would be removed and not put back."

There being no further business, the meeting was adjourned and a workshop session was held with the Commissioners of Oxford and town attorney, David Thompson, to discuss a draft copy that had been put together by the Port Wardens regarding mooring fields.

Respectfully submitted,

Lisa Willoughby
Assistant Clerk
