The Commissioners of Oxford are governed by the Oxford Charter and are guided by Robert's Rules of Order. The Charter provides that all meetings of the Commissioners shall be open to the public, and the rules of the Commissioners shall provide that residents of the Town shall have a reasonable opportunity to be heard at any meeting in regard to any municipal question. Public Comment is included on all Commissioner regular meeting agendas and affords the public the opportunity to have a voice, and the Commissioners an opportunity to listen.

Public Comment is not a Debate. It is not a question-and-answer session or discussion. If, after a public comment, a Commissioner wishes to clarify a matter, they may do so. With that in mind, the Commissioners thank the public for their interest, welcomes the public to speak, and requests that anyone who would like to speak please state your name and address for the record.
